Bio: *Big, bodacious Buchanan here... I am a lovable lug with an adorable mug! I arrived at DCHS as a stray in late September 2014 and am estimated to be a 4 year old American Pit Bull Terrier mix. They say I'm "enthusiastic" and overflowing with energy... but I just love life so much it is hard for me to contain my excitement! I love to exercise, whether it is walking, jogging, playing, jazzercise, zumba, I'm really not too picky! I would love a home with adults, I'm a bit 'too much' for other pets or small children, but older kids like teenagers would for sure be my best friends! As long as my new home has a cozy couch and plenty of durable toys... I'll be a happy camper!*

- ♥ Buchanan may do ok with a large dog eventually, but is too prey driven to safely be around other animals at this time.
- ♥ He needs a positive, active owner who is knowledgeable about 'pit bull' breeds.
- ♥ Buchanan would benefit from professional training classes with his new owner
- ♥ Please check with your homeowners insurance to make sure it covers his breed!
